

Healthy Boys to Healthy Men

Developing the Whole Male

*Young Boys and Young Men need special attention for complicated life issues specifically about them

*The cycle must be broken where we have mentally & emotionally unhealthy adult men because of neglecting these issues in our young boys & young men

*Silence is NOT golden when it pertains to the struggles of life & how to overcome them

*The road to individual greatness starts with a healthy mind & balanced emotions

The Two-Fold Meaning of "Whole"

- 1) Dealing with every aspect of the male-The Whole person
- 2) Bringing a 100% Whole, healthy male to every situation & relationship
